ISO 9001:2008 Certification Earned By ITility, LLC

(Pittsburgh, PA) SRI Quality System Registrar is pleased to announce that it has recently awarded an ISO 9001:2008 Management System certificate to ITility, LLC, located in Herndon, Virginia. ITility is a Service Disabled Veteran Owned Small Business providing Program Management, Education and Training, Cybersecurity, Operations, Administrative, and Systems Engineering support to clients across the Federal Government.

According to Edward L. Maschmeier, Director, Certification: "We are pleased to acknowledge that ITility, LLC has demonstrated effective implementation of a management system. ISO 9000 certification provides evidence to customers, suppliers, employees, and their community of their commitment to producing a quality product (service) and providing customer satisfaction."

ISO 9001:2008 is process-based; certification recognizes organizations that can link business objectives with operating effectiveness. Companies that achieve management system certification to ISO 9001:2008 have demonstrated effective implementation of documentation and records management, top management's commitment to their customers, establishment of clear policy, good planning and implementation, good resource management, efficient process control, measurement and analysis. Continual improvement has been institutionalized.

SRI Quality System Registrar is an internationally accredited registrar for management systems standards, such as ISO 9001, AS9100, ISO/TS 16949, OHSAS 18001, ISO 13485, ISO 20000-1, ISO 27001, ISO 22000 and environmental management systems standards such as ISO 14001, RC14001, and RCMS. SRI also provides public training for auditing, implementing, and maintaining these standards.
